We Do Recover

When at the end of the road we find that we can no longer function as human beings, either with or without drugs, we all face the same dilemma. What is there left to do? There seems to be this alternative: either go on as best we can to the bitter ends - jails, institutions or death - or find a new way to live.

In years gone by, very few addicts ever had this last choice. Those who are addicted today are more fortunate. For the first time in man's entire history, a simple way has been proving itself in the lives of many addicts. It is available to us all. This is a simple, spiritual - not religious - program known as Narcotics Anonymous.

Who are members of NA?

Anyone who wants to stop using drugs may become a member of Narcotics Anonymous. Membership is not limited to addicts using any particular drug. Those who feel they may have a problem with drugs, legal or illegal, including alcohol, are welcome in NA. Recovery in NA focuses on the problem of addiction, not on any particular drug.
